

As Reported In The Pomeroy Bulletin:

**Young Men's Lecture Series
"The Most Holy Faith" [Jude 20]**

Six young Christian men of various ages and abilities (four from the Rager Road congregation and two from the church here at Pomeroy) are putting forth the effort to make this wonderful lectureship series possible. We commend these young men for their faith and dedication, and their resulting courage to make such a challenging commitment. They have our full support and prayers as they diligently prepare to preach the gospel on this great occasion. This will be a wonderful day of edification and Christian fellowship that none of us will want to miss, including the good mid-day meal.

Dennis Sargent

I appreciate the good words from brother Dennis, and wish to echo them regarding the willingness of these younger fellows to step up and help us here at Rager Road to fulfill Paul's injunction to Timothy when he said *"And the things which thou hast heard from me among many witnesses, **the same commit thou to faithful men, who shall be able to teach others also**" (II Timothy 2.2)*. The faithful men to whom we refer will be listed on the back of this bulletin.

**TV Stations Ban 'Speechless...Silencing
The Christians'
Stations bow to pressure from handful of homosexual
activists...**

February 13, 2009

Dear Phyllis (Schaffley),

Two TV stations, WOOD-TV in Grand Rapids, MI and **WSYX-TV in Columbus, OH**, have banned a television special showing how the media is silencing Christians. The stations bowed down to the demands of a handful of homosexual activists and **banned** the showing of our TV special "Speechless...Silencing the Christians." The one-hour TV special was scheduled to be shown on the stations, but the stations yanked the program after agreeing to run it.

Oddly enough, the TV special shows how the media censors Christians, which is exactly what these two stations did!

They said the program was "controversial." The stations do not consider showing two lesbians or two homosexuals kissing or getting into bed with each other controversial. The stations do not consider all the profanity they air controversial. They regularly show network programs advocating the homosexual agenda, but those programs are not considered controversial. However, a special showing of Christians being silenced is controversial!

The manager of the Columbus station told AFA the station would not air the program because telling the truth about homosexuality did not represent "positive Christianity." Are we moving to a time in the near future when local pastors whose services are broadcast will be banned because their sermons call the practice of homosexuality a sin?
